Kids love our Foolpropf Reading characters. They were created by our award-winning character artist Craig Kellman who was behind Hollywood hits such as Madagascar and Hotel Transylvania.

GRIT

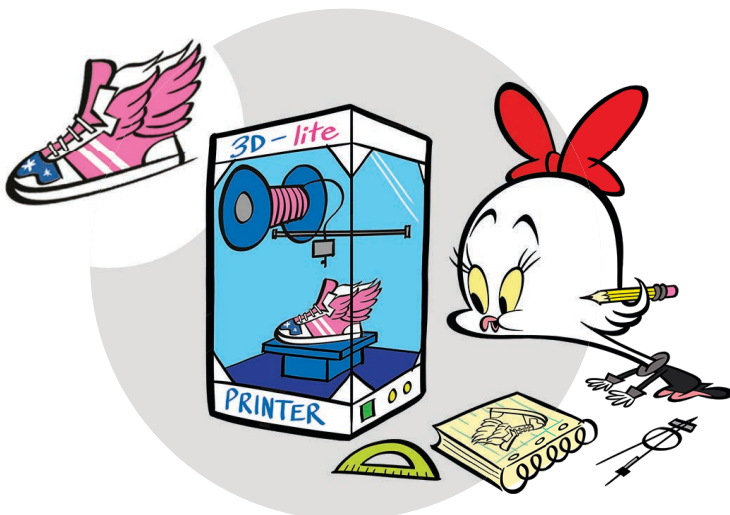

Gritty and tenacious. Grit is a no nonsense mechanic who spends his time building faster, crazier scooters and planning his next stunt.

Learn how to read so you can follow his wild daredevil stories.

PLATO

Plato is a chef who wears his heart on his sleeve. A food truck chef who hit the big time, he can be moved to tears by the perfect hamburger.

Learn to read so you can follow stories about Plato's growing foodie empire.

OZ

Oz is a trailblazing shoe designer. She is determined to change the world around her by making wings. Everyone should be able to fly!

Learn to read so you can follow stories about Oz and her powerful 3D shoe printer.

BEARNICE

Bearnice is a big-hearted marine conservationist who wants to befriend the undersea world. She's the bear who doesn't dare to eat fish!

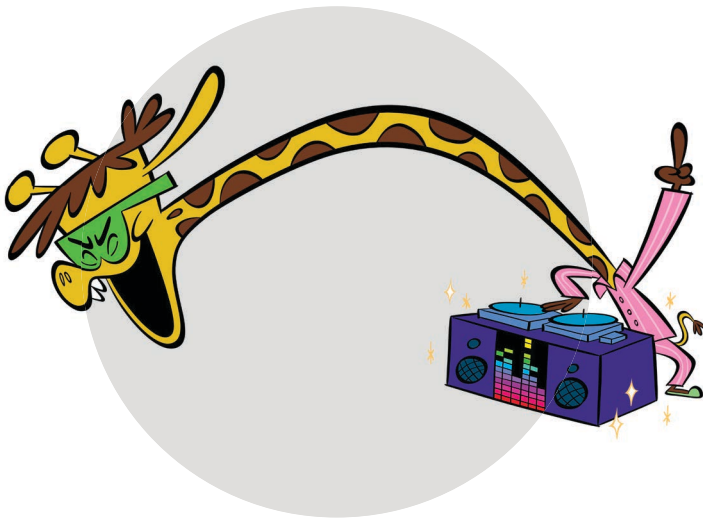

Learn to read so you can follow stories about nature and the environment.

SHANG HIGH

Shang High is the coolest DJ. Headphones on and head in the clouds is how you will usually find him. Out in the real world, he's totally lost.

Learn to read so you can follow Shang High's dreamy travel stories.

BRICK

Brick is an amazing football player and sports fan. Brick would rather be outside with a ball than just about anywhere in the world.

Learn to read so you can follow his sporty adventures.

YIN AND YANG

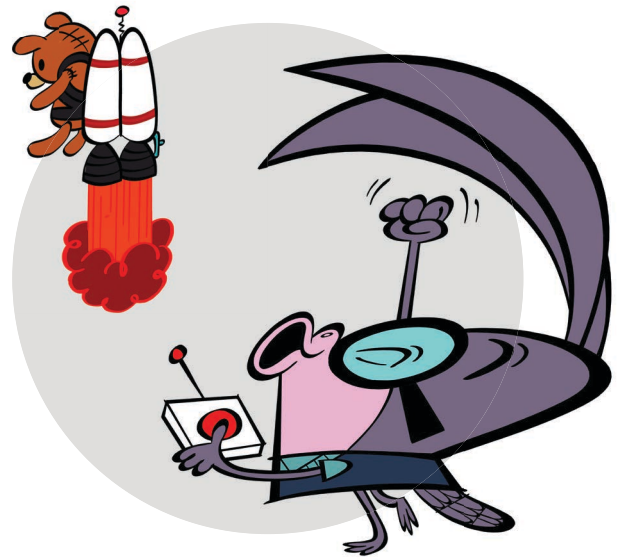

Yin and Yang are mischievous twin babies. They are also complete opposites. Yin is sensible. Yang is out of control.

Learn to read so you can hang out at the Milk Bar of Dreams with Yin and Yang.

ARMIE

Armie is a budding space tech entrepreneur. He is determined to launch the first teddy bear in space.

Learn to read so you can follow him throughout the universe.

BOGART

Bogart was born to be a fly. But he wants to be a butterfly. He tries. He fails. He gets mad. And he tries again.

Learn to read so you can help Bogart learn to flutter and fly.
